and Groves Academy*

ORTON-GILLINGHAM COURSE DESCRIPTIONS

Each course provides instruction in the Orton-Gillingham Approach, a phonetic, rule-based, structured and multisensory method for teaching reading and spelling. It is a systematic and cumulative approach involving intensive reinforcement. All courses include supervised clinical practice teaching, with testing procedures and data collection to evaluate student progress.

Orton-Gillingham of Minnesota (OGM)

Orton-Gillingham Classes are now offered by the same group of professionals that have been teaching in the Twin Cities area for years. Jackie Dimmen, Kathy Fears, Mary Platt, Karen Sunday, Arlene Sunday, and Hannah Tolles are pleased to have formed a new organization, Orton-Gillingham of Minnesota, that continues their commitment to quality, research-based teacher training.

Mission Statement

The mission of Orton-Gillingham of Minnesota is to provide research-based reading instruction with supervised practicum experiences in the Orton-Gillingham Approach to teaching reading, writing, and spelling.
