

Dear Groves Parents,

Jan 26, 2010

This spring we will again have a newly-designed yearbook for both students and staff. We are really excited with the way the book is coming together and it will be very exciting when we hand them out to the students and staff at the end of the school year.

The cost of the 2009-2010 yearbooks is \$45. Amy Luffey will be taking orders for the yearbook. Please send your check to her so that we can order a yearbook for your child. If this is a hardship for your family please send in an amount that is better for your situation and we will cover the rest. Please contact Kathy Boone so we can make the necessary arrangement so your child can receive a book. The students really enjoy getting their yearbooks at the end of the year.

Again, for your child to receive a yearbook it must be ordered through Amy.

As always, please do not hesitate to contact me should you have any questions or comments.

Best Wishes,

Kathleen M. Boone
Director of Education
