

Groves Academy Grandparents Club

Grandparents play an integral role in the development of their grandchildren. At Groves Academy, our Grandparents are a special part of our community and we celebrate them at our annual Grandparents & Special Friends Day.

The Grandparents Club's purpose is to nurture the relationship between Groves students, their grandparents, and the mission of Groves Academy. A minimum annual gift of \$250 to the Grandparents Scholarship Fund at Groves Academy enrolls you in the Grandparents Club. 30% of Groves students receive tuition assistance and your participation in the Grandparents Club helps provide scholarship support to students who might otherwise not be able to attend Groves Academy.

Member benefits include invitations to Groves Academy special events including the State of the School luncheon, a subscription to the bi-annual Connections magazine, and an opportunity to write a personal note to your grandchild each semester which will be hand-delivered to his/her classroom.

Let your grandchild know that you value their Groves Academy education, and that you are doing your part to invest in his/her future.

For more information or if you have any questions, please contact Lynn Giovannelli at 952-915-4271 or giovannellil@grovesacademy.org.
