DROP-OFF / PICK-UP PROCEDURE

Please visit grovesacademy.org for drop-off/pick-up procedure information and driving directions.

[APPLICATION PROCESS]

APPLICATION PROCESS

Complete the on-line application form at grovesacademy.org/summer.

After completing the application form and paying the \$40 application fee, applicants must ensure the required documentation (diagnostic assessment, teacher feedback form) is submitted before the application can be reviewed.

The required documentation helps us accurately assess the needs of each student, determine whether our academic programs will be a good match and best serve your child, and validate we have other students of similar profiles to form a class grouping.

We will review application materials and confirm acceptance and program fees as soon as possible. If program fees are not received by May 17, your child's spot is not guaranteed.

We appreciate prompt notification if your child will not attend, as other families may be affected by your decision.

If applying for more than one child, please submit separate application forms for each child.

Groves Academy reserves the right to cancel a class/session due to inadequate enrollment, in which case class fees are refunded.

Diagnostic Assessment

This assessment is the type administered privately at a clinic, or individually by the school as part of the Individualized Education Plan (IEP) process. It may be called a psycho-educational assessment or evaluation report, and should include a narrative report as well as ability and achievement scores. Please send the most recent diagnostic assessment, and also include a copy of the IEP, if applicable.

Please let us know if you are interested in having your child tested. We can provide you with information about assessments offered by The Learning Center at Groves Academy.

Teacher Feedback Form

Upon applying on-line, you will receive the teacher feedback form with necessary instructions via email. Please provide your child's teacher(s) with this, and request it be sent directly to Groves Academy as soon as possible.

EARLY BIRD DISCOUNT

Applications received by March 15 will receive a \$150 discount on our academic program for grades 2-8.

APPLICATION TIPS

Applying early is encouraged.

We accept applications from through May 10, 2019 and on a rolling basis based on availability.
