2020 SPONSORSHIP GUIDE

Groves Academy is a non-profit education organization whose vision is to redefine the way our nation is taught, one student, one teacher, and one school at a time.

GROVES GALA 2020

Groves Academy is an educational organization with a rich history of supporting bright students who learn differently as well as promoting evidence-based literacy instruction for all.

Groves is the leading school and learning center for students with learning disabilities and attention disorders, as well as a center for literacy instruction, education, and advocacy in the Midwest.

The methods we've developed at Groves have helped thousands of children reach their full potential, and we are now expanding our mission - to bring those insights and methods to help address the literacy crisis in our nation. But, we cannot do it alone. We're asking you to join us for our 43rd annual fundraising gala to help redefine the way our nation is taught, one student, one teacher, and one school at a time.
