

HEALTH SCREENING DECISION TREE

Follow the appropriate path if you are a student, client, staff member, or visitor and you are experiencing the following symptoms consistent with COVID-19:

MORE COMMON:

- fever greater than/equal to 100.4F
- difficulty breathing
- new onset and/or worsening cough
- new loss of taste or smell

LESS COMMON:

- sore throat
- muscle pain
- nausea
- excessive fatigue
- vomiting
- new onset of severe headache
- diarrhea
- new onset of nasal congestion or runny nose
- chills
